

## Virtual Access GW7010/GW7020 Series End of Supply Notice

### End of Supply Schedule

To provide a better service for our customers and partners, Virtual Access is initiating the End of Supply management process for the following GW7010 and GW7020 Series models:

VA Model Number	Description
GW7010-S	4 Ethernet, 1 WAN ETH, single synchronous serial DB15 X.21, AC power
GW7010-S-48V	4 Ethernet, 1 WAN ETH, single synchronous serial DB15 X.21, -48V DC power
GW7010-2S	4 Ethernet, 1 WAN ETH, dual synchronous serial DB15 X.21, AC power
GW7010-2S-48V	4 Ethernet, 1 WAN ETH, dual synchronous serial DB15 X.21, -48V DC power
GW7010-E1	4 Ethernet, 1 WAN ETH, 1 E1
GW7010-A	4 Ethernet, 1 WAN ETH
GW7010-3G	4 Ethernet, 1 WAN ETH 3G
GW7025-E1	4 Ethernet, 1 WAN ETH, 1 ADSL, 1 E1
GW7025-A	4 Ethernet, 1 WAN ETH, 1 ADSL
GW7025-3G	4 Ethernet, 1 WAN ETH, 1 ADSL, 3G

Order placement deadline:	30 <sup>th</sup> November 2015
End of production:	12 <sup>th</sup> February 2016
Last delivery	12 <sup>th</sup> February 2016
End of Life	12 <sup>th</sup> February 2016

## Suggested replacement products

VA Model Number	Replacement
GW7010-S	GW7600 Series
GW7010-S-48V	
GW7010-2S	
GW7010-2S-48V	
GW7010-E1	
GW7010-A	
GW7010-3G	
GW7025-E1	
GW7025-A	
GW7025-3G	

All models currently under warranty or support contract will continue to be supported. For more information, contact [sales@virtualaccess.com](mailto:sales@virtualaccess.com)

### General information

This EOL notification announces the cessation of manufacture of the devices mentioned herein. The device EOL information is supplied prior to cessation of manufacture to enable related customers to make the necessary adjustments to their present and future purchasing plans. Users of these devices should review this martial carefully and ensure that final purchases are made within the schedule as defined in the following terms and conditions.

### Last purchase date

This is the final date at which orders will be accepted for deliveries of the mentioned devices. After this date Virtual Access cannot enter into negotiations regarding the purchase of these phased-out devices.

### Production stops

After this specified date, no more devices will be manufactured and last deliveries made. At this point, the devices can be said to have reached their end of life status.

### Suggested replacement device

The alternative devices are the recommended replacement devices for the phased-out devices. The suggested devices should functionally replace the original device, however this is offered as reference information only.

Virtual Access offers no guarantee that the suggested replacement device will have exactly the same form, function or specification of the phased-out device.

**Device pricing**

The subject of pricing for the specified devices under notice of phase-out is one that must be discussed with the Virtual Access Sales Department. Quotations for devices will depend on several factors and can only be given upon individual requests.

**Limited warranty**

All devices under notice of phase-out shall be subject to the Virtual Access Standard Limited Warranty.
